OVER

It is proposed that the current California Administrative Code Title 5 Section 80033 (life credentials) be repealed and that the following regulations be approved for dissemination and public hearing:

Section 80033 is hereby repealed.

New Section 80033 is hereby enacted as follows:

80033. Life Credentials. Teaching and services credentials may be issued for life on receipt of a complete application including verification of two years of full-time teaching or other certificated service rendered on the basis of the clear credential under consideration. Teaching or other certificated service shall be acceptable for this requirement when the employment was in a position generally requiring the type of credential under consideration. Full-time service on the basis of a services credential which is dependent upon a teaching credential shall be acceptable for either credential. Teaching experience shall be acceptable only for meeting this requirement for teaching credentials.

Teaching or service experience in a California private school will be accepted on the same basis as public school experience if such private school offered and the applicant provided instruction which exempted students from the requirements of attendance upon a public full-time day school pursuant to Section 48332.
